Potential legal proceedings against Sunrise

**Salt Mobile SA announces that it is contemplating legal proceedings against Sunrise
Communications Group AG.**

Salt is concerned that the proposed transaction by which Liberty or its designated affiliate would acquire Sunrise infringes on contractual rights established as part of its Swiss Open Fibre joint venture with Sunrise. Unanimous Sunrise Board approval for the deal and the irrevocable tender by Freenet of its 24.4% stake in Sunrise have already destroyed significant value for Salt and its shareholders.

Quinn Emanuel Urquhart & Sullivan, LLP is representing Salt and has filed section 1782 proceedings in the US to obtain information from Liberty relevant to the transaction.
