Renens 21.01.2019

Salt appoints two new members to the management team

Salt appoints Christian Aveni Chief Business Officer and Andreas Kuntz Chief of Corporate Affairs & General Counsel.

On January 1st 2019, **Christian Aveni** took over the reins of the Business to Business department as **Chief Business Officer**. He previously held the Chief Operating Officer position at JDMT Medical Services AG after spending six years with Swisscom. Christian holds an Economiste d'entreprise ES from ESECO Lausanne and EMBA Degree from Business School Lausanne. Thanks to his strong track record and deep Telecommunication market knowledge, he will be instrumental in strengthening Salt's position in the B2B market.

In parallel, as of February 1st 2019, **Andreas Kuntz** will join the company as **Chief of Corporate Affairs & General Counsel**. He joins from Logitech, where he has held several senior positions as Corporate and Commercial Counsel in the Headquarters in Lausanne and in Hong Kong, lately as Head of Legal of the Asia Pacific Region. Andreas holds a bar admission form Germany and an LL.M & D.E.A. Master Degree from Lausanne and Chambéry University (F).

"We are very pleased to welcome Christian and Andreas to our management team. With their strong backgrounds and leadership capabilities they will be a great asset to the company" commented **Pascal Grieder, CEO at Salt**.

"Going forward, Salt will put a stronger focus on B2B to offer companies throughout Switzerland an even greater service and value proposition." adds Pascal.

About Salt: Salt is a Swiss telecommunications provider which owns and operates an extensive, high-quality mobile telecommunications network infrastructure. Thanks to its ultrafast broadband solution called Salt Fiber, Salt provides a unique triple play service, which for the first time in Switzerland takes full advantage of the optical fiber technology by means of symmetrical data transmission rates of up to 10 Gbit/s. Salt Fiber can be combined in an gainful way with Salt's powerful Plus flat rate subscriptions - a revolutionary and straight forward portfolio.

Salt in figures: 1,244,000 postpaid customers (as of 30.09.2018), 99 Salt Stores and 4G coverage of 98% of Switzerland's population.
