Play has no limits at Salt PlayStation 5 for free for Salt Mobile customers

In partnership with Sony Interactive Entertainment, Salt is launching an exclusive PlayStation Gaming package. New customers are provided with the brand new PlayStation 5 and a two-year PlayStation Plus subscription.

As of Today, November 19, Salt Mobile and Salt Home customers can benefit from an exclusive gaming package. The package is composed of the new PS5 (version including disk drive) and a 24-month PlayStation Plus subscription for a total value of CHF 639.-

The new PS5 provides lightning-fast loading with an ultra-high speed SSD, deeper immersion with support for haptic feedback, adaptive triggers and 3D Audio, and an all-new generation of incredible PlayStation® games.

PlayStation Plus enhances the PlayStation experience and provides access to online multiplayer, monthly games, exclusive discounts and more. It now also provides access to the PlayStation Plus Collection, a library with some of the best PS4 games such as God of War, The Last of Us Remastered, Ratchet & Clank and many more.

Salt Mobile customers get the exclusive PlayStation Gaming package for free when subscribing to Salt's Swiss Young mobile price plan, which includes unlimited high-speed internet, calls and SMS/MMS in Switzerland as well as unlimited SMS/MMS, 60 min and 500 MB data per month in Europe and the USA for CHF 59.95 per month. The offer is also valid for any other Salt rate plan with a higher monthly fee.

New Salt Home customers are provided with the same package for CHF 20 per month during 24 months on top of the normal Salt Home monthly fee. At 49.95 per month, the triple play "Salt home" offer includes ultrafast Internet (10 Gbit/s technology), TV, fixed-line telephony and on top an Apple TV 4K as set-top box.

Pascal Grieder, CEO at Salt comments the launch " *We strive to continuously improve our products and services in order to provide customers with premium quality at an affordable price. We are constantly challenging our offers and with the Sony Gaming package we again showcase our great innovation capacity.*"

About Salt: Salt is a Swiss telecommunications provider which owns and operates an extensive, high-quality mobile telecommunications network. With Start, Basic, Swiss, Europe, World, Young and Surf, Salt offers a comprehensive portfolio of personal, straightforward and efficient mobile flat rate subscriptions. At up to 1 Gbps and no extra costs, Salt customers can surf on the fastest available internet connection (4G+) – without any speed limitation. Salt's ultra-fast 4G+ network covers over 55% of the Swiss population and its 4G network covers even 99%.

Thanks to its ultrafast broadband solution called Salt Home, Salt provides a unique triple play service, which for the first time in Switzerland takes full advantage of the optical fiber technology by means of symmetrical data transmission rates of up to 10 Gbit/s. Salt Home can be combined in a gainful way with Salt's powerful mobile flat rate subscriptions.

Salt in figures: 1,265,000 postpaid customers (as of 30.06.2020), 103 Salt Stores and 4G coverage of 99% of Switzerland's population.
