### **Salt Home now available via Fixed Wireless Access**

**Salt launches the Gigabox, a Fixed Wireless Access solution, thereby increasing the number of households eligible for its unique Salt Home offer, available for CHF 39.95\* per month, to more than 2 million.**

The Salt "Gigabox" offers an alternative to a fiber optic internet connection using the Salt 5G and 4G+ Mobile Network. Available for the first time in Switzerland for residential customers, the Gigabox solution combines an outdoor 4G&5G antenna with a new generation router with Wi-Fi 6 technology. Thanks to this unique solution, which is easy to install at any home, customers will benefit from an excellent indoor reception and will be able to reach download speeds up to 1Gbit/sec over the 5G mobile network and up to 400Mb/sec over the 4G+ network.

The Salt Home Gigabox offer includes Internet, TV and an Apple TV 4K as set-top box at an unmatched price of CHF 39.95\* per month for Salt Mobile customers. Salt TV basic packages are available in French, German and Italian featuring more than 250 channels and customers can additionally choose from several Premium TV packages in partnership with Canal+, and Sky, 7 international TV packages, video-on-demand (Salt Video) and kids programs.

Until now, Salt Home was available via FTTH in more than 200 municipalities throughout the country, including major Swiss cities like Zürich, Geneva, Lausanne, Basel, Bern, Luzern, St. Gallen, Fribourg and Lugano, with a potential reach of one third of Swiss households. With the new Gigabox solution, Salt Home is now available to more than 50% of Swiss households or more than 2 million households. The availability in households is subject to a good coverage in the region and will increase as the 5G rollout evolves. Interested customers can check the product availability at their address via the eligibility tool on [fiber.salt.ch](https://fiber.salt.ch)

\*CHF 49.95 per month for non-Salt Customers.

About Salt: Salt is a Swiss telecommunications provider which owns and operates an extensive, high-quality mobile telecommunications network. With Start, Basic, Swiss, Europe, World, Young and Surf, Salt offers a comprehensive portfolio of personal, straightforward and efficient mobile flat rate subscriptions. At up to 1 Gbps and no extra costs, Salt customers can surf on the fastest available internet connection (4G+) – without any speed limitation. Salt's ultra-fast 4G+ network covers over 55% of the Swiss population and its 4G network covers even 99%. Thanks to its ultrafast broadband solution called Salt Home, Salt provides a unique triple play service, which for the first time in Switzerland takes full advantage of the optical fiber technology by means of symmetrical data transmission rates of up to 10 Gbit/s. Salt Home can be combined in a gainful way with Salt's powerful mobile flat rate subscriptions.

Salt in figures: 1,286,600 postpaid customers (as of 30.09.2020), 103 Salt Stores and 4G coverage of 99% of Switzerland's population.
