Salt Advances to Second Place in CHIP 2025 Network Test, Confirms “Very Good”

Renens, April 16, 2025 – Salt’s mobile network has reached a major milestone in [the Chip Network Test 2025](#), conducted by Net Check, by securing second place nationally for the first time and confirming the coveted “Very Good” rating for the third time in a row.

Salt showed the most improvement among the three operators, achieving a total score of 1.18 (on a scale where 1 is the best). This marks the second-best score overall and narrows the gap to number one to just 0.11 points — the smallest margin in the past five years.

Rank	Operator	Score	CHIP Rating
1st	Swisscom	1.07	Very Good
2nd	Salt	1.18	Very Good
3rd	Sunrise	1.20	Very Good

The rating scale ranges from 1.0 (very good) to 6.0 (inadequate); lower scores indicate better performance

Max Nunziata, CEO at Salt, commented on Chip results: « *We are proud to see that our efforts to continuously improve the quality of our mobile network are again reflected in independent tests like CHIP. But most importantly that our subscribers and business customers can rely on such a high-quality network.* »

About Salt

Salt stands for offering innovation and premium products at attractive prices in the Swiss telecommunications market. An outstanding mobile network (Connect, 2025), Switzerland’s fastest fixed internet (Ookla® Speedtest Intelligence® Q3-Q4 2024) and customer-centric service ensure an outstanding experience for its business and residential subscribers. The company’s services, as well as its fixed and mobile networks, have received repeated awards: best universal provider for small and medium-sized companies and residential customers (Bilanz, 2024), outstanding mobile network (Connect, 2025), best performing internet connection (Nperf, 2023), winner regional fixed-network providers with "outstanding" rating (Connect, 2024), and best broadband tariff (SIQT, 2024). Based in Renens (VD), Salt has two additional offices in Biel and Zurich. The company employs more than 1,000 employees and serves more than 1,700,000 postpaid mobile and more than 260,000 broadband customers across Switzerland. Salt currently offers 99.9% population mobile coverage.
